THIS WEEK'S PRESS RUN—2243

Welcome To Minden Winter Carnival

The ever popular Kawartha Kavaliers Drum and Bugle Band from Lindsay will be one of the main highlights to be featured at this year's Minden Winter Carnival which will be held this weekend, February 2, 3 and 4.

Saying it with music this year the Brampton Clown Band will be featured on Saturday and Sunday (afternoon and evening).

Among the other main attractions at the Carnival this year will be the Central Ontario Snowmobile Meet, the annual Carnival Queen Contest, Curling Bonspiel, Hockey Game and many other events.

A Broomball Tournament at the Minden Arena will start off the festivities at 7 p.m. on Friday evening, and this will be followed by a Minor Hockey Tournament. The Carnival Queen Contest will be held at 9:15 p.m. in the Arena, and "The In Crowd" will be supplying the music for the Mocassin Dance in the Arena which starts at 10 p.m.

The Carnival Parade will start on the Main Street on Saturday at 1 p.m. Other attractions on Saturday will be curling at the Curling Arena, Skating Races, a Bowling Tournament, a Figure Skating Exhibition and a Beaver Skinning Competition. At 8 p.m. a Hockey Game will be featured when the Minden Oldtimers will meet the Minden Juveniles. At 10 p.m. there will be a Country and Western Jamboree in the Arena Auditorium, featuring "Little Joe and the Country Boys".

On Sunday there will be Special Church Services held at the various Churches. In the afternoon there will be the Broomball Finals, a Snowmobile Meet, a Tug Of-War on ice in the Minden Arena, the Linwood Trio and a Log Sawing Contest and many other attractions.

The Chairman of this year's Carnival, Mr. Reg Welch, issues a welcome to one and all to come to Minden this weekend for the 8th Annual Minden Winter Carnival.

Vestry Meeting At St. Paul's

On Monday, January 29, after a fine pot-luck supper in the Church basement, 31 people adjourned to the Parish Hall for the Annual Vestry Meeting of St. Paul's Anglican Church, Minden. The meeting was chaired by the Rev. K. A. Thatcher, supported by the two Wardens for 1987, Mr. Earl Hewitt and Mr. J. O. Jackson.

Mrs. J. Jackson was elected to the onerous task of Vestry Clerk.

After the reports hor 1967 were approved, an evening of lively discussion ensued regarding the future programme for the congregation and parish. The budget for 1968 was approved, and many ideas for the betterment of the Church was discussed and voted upon.

Mr. J. O. Jackson was re-elected by popular acclaim as People's Warden, but Mr. Earl Hewitt regretted that his many other commitments made it impossible for him to accept the appointment by Mr. Thatcher as Rector's Warden. Mr. Thatcher will appoint someone to this office in the near future.

At the conclusion of the evening, the Chairman thanked the Wardens and other officers for their loyal and devoted services during 1967, and the evening closed with Grace.

Liberals Elect Officers

James Pilkington of Lindsay was named President of the new Victoria - Haliburton Liberal Riding Association at a convention last Saturday in Lindsay.

It was the first convention of the Liberal Riding Association which was re-formed after the redistribution of Electoral Districts came into effect last year.

President of the Riding Association before redistribution was Hunter Murchison of Fenelon Falls.

Other officers named at Saturday's convention were: Clifford Elstone of Haliburton - Vice-President; Donald Folkes of Fenelon Falls - Secretary; James Kelz of Lindsay - Treasurer.

Also nominated for Vice-President were Neil Gregory, Wally Scott and Ted Oke, but they declined in favour of Clifford Elstone.

Addressing the first convention of the Association since redistribution of Electoral Districts federally, Mr. Pilkington said, "This will be a very important year in our Association. Changes will have to be made and I am quite prepared to make those changes."

Mr. Pilkington did not say what changes would have to be made.

Choral Group To Visit Haliburton

On Friday, February 23 the famous "Hart House Glee Club" will visit Haliburton, and will give a public Concert at 8.00 p.m. in the Auditorium of the Haliburton Highlands Secondary School.

This outstanding choral group of approximately 50 men students from the University of Toronto, under the direction of their talented young conductor Walter Barnes, has made extensive concert tours across Canada and abroad. Through these tours, their records, and their appearances on radio and TV, they have established a reputation of professional excellence.

The group is being sponsored by the H.H.S.S. Glee Club, who are selling advance tickets for the Concert.

HALIBURTON NEWS LETTER

The Minden Businessmen's Association, through their Secretary Eric W. Cross, have written a letter to William C. Scott, M.P. protesting any change in the C.N.R. setup in this area. We highly commend this group of citizens who realize that any move which is detrimental to any section of the County affects us all.

* * *

The mild weather that we have had this week caused flooding conditions on sections of Highland Street and Maple Street. In order to get up our main drag on Tuesday one either had to secure a pair of rubber boots or take to the middle of the road. From four to six inches of water covered a section of highway that is situated in front of our Post Office, making it anything but pleasant for those who drove their cars to that location in order to secure their mail.

Alternates elected were Stanley Murray of Woodville and Neil Gregory of Lindsay.

M.O.H. Arrives In February

Victoria - Haliburton Counties Health Unit Medical Officer of Health, Dr. A. G. Bailey, is expected to commence duties in Lindsay about February 26, Victoria County Councillors were told last Friday.

Reading communications from the recently hired M.O.H. in England, Victoria County Clerk Frank Weldon said Dr. Bailey expected to leave England and arrive in Canada on February 21.

The Clerk also told County Councillors no problem is expected in getting the new M.O.H. settled in a home in Lindsay. He said he had received reports from two real estate firms who assured County Council suitable accommodation in the north part of the town would be available.

Dr. Bailey in his letters said he and his wife and two children would be travelling together and said that a three or four bedroom house would be required.

Attend Meeting

On Wednesday evening, January 24 Mr. John Hill of Lochlin, Mrs. A'Delbert Miller and Mr. T. E. Deterling of the Monmouth Educational Authority and Mrs T. E. Deterling attended a regional meeting of the Retarded Children's Schools Educational Authorities held in Trafalgar School in Peterborough.

Representatives from Ajax, Oshawa, Lindsay, Campbellford Peterborough, Haliburton and North Hastings Authorities attended.

Mr. Wm. Nicholls of Peterborough, who is the Authorities Federation D'rector, called the meeting to discuss matters of cocnern to Authorities.

$350 Damage

LINDSAY (ENS) — Larry Godfrey of Wilberforce and Roy Robinson of 34 Colborne St. W. were drivers of cars involved in an accident on Colborne Street, Lindsay, which caused damage estimated at $350.

Lindsay Town Police investigated.

Snowdon Council Inaugural Meeting

The Inaugural Meeting of the Snowdon Township Council was held with Reeve Robert Vick and Councillors Ralph Young, Gerald Hicks, Steve Hancock and Mrs. Grace Simmons all present.

The oath of office for Reeve and Councillors was administered by the Clerk, and Rev. K. Thatcher of Minden was in attendance and offered prayers and guidance for the coming year.

Mr. Vigran from the Canadian National Railways, Belleville met with Council to discuss the crossing at Howland Junction. Mr. Vigran explained that application would have to be made to the Department of Transport to have his crossing declared a Public Crossing. This matter will be taken up at the next meeting.

Moved by Gerald Hicks, seconded by S. A. Hancock that the Clerk obtain insurance coverage on the two community buildings, the amount to be determined after a meeting of the two boards.

Moved by Gerald Hicks, seconded by Grace Simmons that the Township agrees to pay .15c per yard for sand and gravel as per request.

Moved by Gerald Hicks, seconded by Ralph Young that $18,000.00 be set as the amount for road expenditure for 1968, and that we apply to the Department of Highways for subsidy for this amount.

Moved by Ralph Young, seconded by S. A. Hancock that Road Voucher No. 1 in the amount of $323.72 be paid. Current bills in the amount of $200.45 were also approved for payment.

It was moved by Gerald Hicks, seconded by Ralph Young that the meeting be adjourned until February 7, 1968 at 7 p.m.

Health Unit Begins April 1

LINDSAY (ENS) — The combined Victoria - Haliburton Counties Health Unit will commence operation on April 1, Victoria County Warden Everett Cameron has announced.

Predicting a very busy year for the Council in 1968, Warden Cameron said the amount of the maturing debenture debt this year will be $145 000 compared to $240,000 last year.

Merv. Everall Named To CAS

LINDSAY (ENS) — Council newcomer Mervyn Everall was named recently by Mayor John Eakins as the town's representative to the Kawartha - Haliburton Children's Aid Society.

Councillor James Fawcett was named to represent Mayor Eakins on the Board of Parks Management Committee.

St. George's Hold Annual Vestry Meeting

The Annual Vestry Meeting of St. George's Anglican Church, Haliburton was well attended on Monday evening, January 29, 1968 despite poor weather conditions.

Messrs. Creighton Feir and Cecil Winter were returned as Church Wardens for 1968. Mrs. C. W. Hodgson was elected Lay Member to Synod, with Mrs. Bruce Henry elected as Alternate Delegate.

Mr. Cliff Dawson, Church Treasurer, reported that $8,082.09 was received during the year for Church expenses and Missions. Another $5,294.20 was given to St. George's Building Fund, making the total receipts for the year $13,376.29, an increase of over $3,200.00 from the previous year.

In presenting the 1968 Budget Mr. Cecil Winter outlined that estimated costs included the enlarged Church quarters. He drew attention to the fact that $157.00 was needed each Sunday to meet general, mission and capital expenses.. The Wardens also included the repayment of $2,000.00 on the Synod Loan to the Building Fund during 1968 in their budget.

Mrs. Mendal Smith was re-elected as Envelope Secretary and Mr. Brian Dean and Miss Anne Schell were elected as Auditors for the new year.

Reports from the Church organizations showed a vital and worthwhile parish program was in operation. The Junior Auxiliary with a membership of 24 girls told of interesting meetings each Monday afternoon. The B.A.C. reported twelve stimulating monthly meetings and two projects which provided pads for St. George's kneelers and better basement lighting for St. Andrew's, West Guilford. The Anglican Church Women's report outlined their study programs, their projects to meet their pledges for St. George's Building Fund which included a Pancake Supper, Sale of Easter Eggs, sponsorship of two Movies, and the sale of Christmas Cards; and their arranging a visit of the Rev. Don Peel, his wife and family to the parish to get to know their Prayer Partner from India.

The Sunday School reported continuing growth and interest and a very much enjoyed Picnic and Christmas Party. Mr. Bill Gliddon told of having a total of 39 members in St. George's Choirs and of the numerous special events in which the choir had participated in 1967. The Chancel Committee set the Holy Table for 34 services of Holy Communion during the year and looked after the Chancel and Sanctuary each Sunday. The Haliburton Fellowship Group continues to be a source of inspiration, deepening and encouragement to a core of laymen and laywomen who meet at the Rectory every other week for Bible study, prayer and fellowship.

St. George's Building Committee, chaired by Mr. J. Douglas Hodgson and made up of Messrs. Cecil Winter, Creighton Feir, Joe Taylor, Merrill Bailey and Rev. R. Carder, reported meeting 17 times during 1967 to supervise and make decisions on the improvement of St. George's basement into a Christian Education Centre and the addition of a cloister-entrance and assembly hall. Completion of the work is in sight with the plastering due to finish this week.

The Rector noted such highlights in 1967 in his report as the Faith At Work Weekend, the sale of the Glebe land to the Municipality, the fine work and faithfulness of the church officers and parish organizations, and the celebration of Canada's Centennial with an ecumenical Service of Thanksgiving in June in the High School Auditorium. Mrs. Vance English acted as Vestry Clerk for this meeting.

At the conclusion of the Vestry everyone was treated to a conducted tour of the improvements and additions at St. George's.

Accentuate The Positive

Tens of thousands of New Year resolutions are made every year and very nearly the same number broken. The thought has occurred to us that those resolutions might have a better chance of sticking if they accentuated the positive.

What do we mean by that? Well, instead of "I resolve to give up cigarettes", which is very hard for a great many people, make it "I resolve to have a trip to Europe — and I'll have it on the money I save by doing without cigarettes". (It can be done. A friend goes to Europe every second summer and finances it by putting in her piggy bank the amount her friends spend on cigarettes. She has a lot of package-a-day friends.)

If we gave ourselves a reward for doing something we don't want to do — and if we wanted to do it, there would be no need for the New Year resolution — we might find whatever effort is involved worth the trouble.

Instead of concentrating on the disagreeable feature of something we know we ought to do, why not dwell on the dividend? Not "I resolve that I'll go on a diet" so much as "I resolve that I'll have a really nice spring suit this year (or beautiful golf clubs, expensive fishing tackle or whatever), and I'll take off pounds and have the money because I'll walk any distance less than ten blocks instead of taking the car or bus.

We all have lists of things we would like but that we don't feel we can afford, though a little figuring shows that we could afford it very well if we gave up some indulgence which we have to admit is bad for our health.

This applies to time too. Right now in this fair country there are a lot of people thinking how wonderful it would be to be bilingual — and ten minutes a day over the years would have given them quite a good vocabulary in whichever of the languages they lack.

So accentuate the poistive, or to put it another way, concentrate on the chocolate coating — even though there is a pill of self denial inside.

MINDEN

Miss Dora Dawson spent last week with relatives at Maple Lake.

Mrs. C. D. House from Beaverlodge, Alberta is spending a few weeks with her parents, Mr. and Mrs. Lawrence Pritchard.

Sympathy of the village to Mr. and Mrs. Tom Newell on the death of his brother, Arthur of Saskatoon.

Haliburton Businessmen's Association Report On Activities To Membership

At the General Meeting of the Haliburton Businessmen's Association held on Wednesday, January 17 a very important item was brought to the attention of the Executive. "What has your Executive been doing, if anything? The members have not been informed of any actions or efforts extended by the Executive?"

In this brief communication we shall outline a number of discussions and proposals brought up at the ten different Executive meetings held and at the four different meetings held with your Municipal Council since June 8, 1967.

June 16 - Executive Meeting

Rex Boice and John Smith delegated to approach Council re Clean-up and Paint-up Week, Station Street improvements, street name markers and parking signs. The results were instant.

June 28 - Executive Meeting

That the Ontario Department of Highways be approached re centre white lines to be painted on the highways approaching the village. Immediate results.

That the Municipal Council be approached re traffic light at the main intersection. There are complications here but efforts are being extended.

Discussion re Retail Store Hours; Grant Rae delegated to make the necessary contacts.

Airport facilities were discussed; Peter Curry delegated to investigate and report. It is understood that by 1969 there should be three airports ready for air traffic.

The matter of Police Protection and the Ontario Provincial Police were discussed. Several meetings were held with your Council and a delegation from your Executive. Progress is slow but we have not given up.

Discussion re inadequate Hospital facilities, and it was suggested a meeting be held with the local Red Cross Executive in the Spring.

October 25 - Executive Meeting

At the next Festival of Colour Special Train, it was agreed that Thos. Irwin and Albert LaRue share the cost of bus transportation to the Locomotive and to Skyline Park. In the past our visitors have been charged .25c.

Re the closing of the C.N.R. Administration Office in Haliburton, a letter was written from your Executive to the Federal Member, Mr. William Scott, requesting any necessary action be extended to delay this plan as your Executive felt this could be a first step in removing the train services entirely from the area.

The Water and Sewage problem; discussions at many of our Executive Meetings would require several sheets of paper to report all the details. The membership may rest assured that although progress is slow, results are definite and this item has been classed as No. 1 on priority.

Many other proposals and projects discussed at the various Executive Meetings could be reported if space would allow, but with the co-operation of the Haliburton County Echo the members will be informed of any actions as they occur.

Your Membership Fee, $5.00, for 1968 is due. If you are in business you should be a member of the Association. Your support is necessary for the progress and betterment of the community. Remember, your Executive is giving up many hours of their time for what we believe to be a worthwhile cause. We need your membership, your support. Forward your dues to the Secretary and plan to attend the next General Meeting. You'll be surprised.

Glenn Austin, Sec.-Treas.,
The Haliburton
Businessmen's Association.

Burk's Falls Tackling Sewage Treatment Need

A recently initiated provincial sewage works program in the Village of Burk's Falls will, when accepted by the municipality, clear up pollution there, according to the Ontario Water Resources Commission.

A water pollution survey report released by the O.W.R.C. revealed "significant sources" of pollution were found in the majority of drainage outfalls in the village, which is located in a popular vacation area on the Magnetawan River.

Following a request by the municipality, the O.W.R.C. is preparing a design report which presently is in the preliminary stage. When it is completed, a proposal concerning construction details and rates will be presented to the village.

The current pollution survey report notes this system, along with municipal regulations encouraging prompt connection of all "offending premises" to sanitary sewers, will solve the pollution problem.

Presently, private disposal systems are used, and many of these, because of unsuitable soil conditions, do not work properly. Illegal connections to municipal storm sewers or drainage ditches also are pollution sources, according to the report.

Burk's Falls is located on Highway 11, about 60 miles south of the City of North Bay.

Carbon dioxide instead of oxygen was administered to a patient in a hospital in the State of New York, and death resulted almost instantly.

The tragedy occurred while the patient was being prepared for a minor operation. A trained anaesthetist was administering a controlled mixture of oxygen and anaesthetic gas when the tank of oxygen became exhausted, and a new tank labelled "Oxygen" was substituted.

Almost immediately, according to the police report, the patient died. The attending surgeon and hospital officials suspected some kind of an accident and called the coroner.

An autopsy revealed carbon dioxide poisoning. Upon examination the "Oxygen" tank was found to contain carbon dioxide. The tank had been mislabelled before it reached the hospital. All is being done that can be done to discover how such a serious mistake happened.

The manufacturer was sincere, the hospital authorities were sincere, the anaesthetist was sincere, the surgeon was sincere, and certainly the patient was sincere. No one wanted the tragedy to happen. All were sincerely mistaken about the "Oxygen".

The incident demonstrates that sincerity is not enough. Certainty must be coupled with sincerity. Proverbs 14:12 says, "There is a way which seemeth right unto a man, but the end thereof are the ways of death."

Too many people are saying: "As long as I am sincere, I'll come out all right in the end" — but they are sincerely mistaken. Sincerity is not enough!

Too many things are mislabelled "Salvation", "Forgiveness", "Life", "Peace", "Security" and "Satisfaction". This is the perplexing dilemma of modern man — he's operating of a faulty diagnosis! You know, and I know, that accurate diagnosis is fundamental to a cure. However excellent the prescription, it is inadequate for healing if based on incorrect analysis to the symptoms.

Human nature, being what it is, and human pride, persisting as it does, man refuses to believe anything but the best about himself. He sets himself up on a pedestal and says, "There's so much good in the worst of us and so much bad in the best of us, that it hardly behooves any of us, to talk about the rest of us."

It's time we quit breaking our arms patting ourselves on the back and realize that, according to God's Word we have all sinned and come short of the glory of God. We are destined for disaster unless we open our eyes and hearts to our depraved human nature and positive spiritual need and see in JESUS, absolutely the only ray of hope for the dilemma of man the world over.

The Bible says in Acts 4:12, "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved."

Remember, sincerity is not enough!

ALL'S WELL AT SCHOOL

There are heartening signs that a revolution, bloodless, but sweeping, is taking place in education.

There are indications that the oppressed people have passed the muttering stage, have attacked the Bastille, will free the prisoners and in the process over-run the Swiss Guards, defenders of the ancient regime. And all will be wine and dancing in the streets. And chaos.

But out of chaos eventually emerges order. Look what God made out of a heap of chaos. And out of the chaos of the French Revolution emerged a completely new concept of freedom and equality that had a tremendous impact on the world.

Perhaps the revolution in education will produce a similar freeing of the spirit of man, allowing him to cope with the great and relentless pressures of this age and those to come.

Education in this century, the century of the common man, has been a failure on a grand scale. It has failed entirely to come to grips with a society that has been turned upside down and inside out by two global wars, mass communication, a tremendous spurt of technological advance and a close, hard look at traditions.

Educators, with a few notable exceptions, have been timid, shying from anything that might upset the system. The public at large has ignored education, except to bleat about the cost.

As a result, education has been a generation behind the times. It has become a monolith of repression, rigidity and conformity. It has been an elephant waltzing with a giraffe.

But fresh winds are blowing through the concrete boxes in which young minds are supposed to be exhilarated, excited and liberated. And with many another, I cry a loud, sincere, "Halleluia!"

Go into an elementary school today. You may be shocked to death. Instead of sitting in neat rows, facing a teacher, and putting up their hands so they can spout some meaningless information which has been memorized, you're apt to find the children wandering all about the room, doing things, looking up information, actually talking to each other, which, of course, is pure heresy.

It looks like anarchy, but it isn't. The teacher is teaching, not just telling. The kids are learning, not being taught. No longer are they little sponges, each in his own compartment. There is a flowing of ideas, a joy in finding out for oneself.

Go into a high school. The teacher is supposed to be reading a poem, preferably written at least 100 years ago. Then he is supposed to elicit from the students, with a series of childish questions which bore the bright ones and are ignored by the dumb ones, the meaning of the poem. Then there is supposed to be the search for similes and metaphors. Then he is to put an analysis of the poem on the blackboard, the kids copy it down, and everyone is happy. They have "done" a poem. They are being taught the joy of poetry. They are being educated.

But what's this? They're not even sitting in rows, but in a circle. They're arguing about the poem, which was written three years ago. They relate it to their own lives. The discussion may run from hippies to drugs to broken hearts to religion to joy to beauty. They may still be fighting about it when they leave the classroom. Dreadful. Disorganized.

It's all disgusting and degenerate, but it's happening, And not just in the classroom. There are field trips in geography. Imagine. Going right outside where the geography is. A visit to parliament by a history class. Shocking. History should be in books, where it belongs. A trip to the theatre for an English class. Sheer depravity. That Shakespeare can be pretty filthy stuff, if it isn't carefully censored.

My wife tells me that some of the professors at university are actually teaching these days, instead of just talking at you.

Where will it all end? The iron hand has been removed and one of these days we're going to be faced with a generation of kids who like school so much they'll have to be kicked out at 16.

Where The Sugar Maples Grow

When the Lord made Haliburton,
He had rocks and stones to spare
So He dumped them from his pockets and threw them everywhere.
And then He planted maple trees, as all we natives know
In the Haliburton Highlands where the sugar maples grow.

Then He scattered lakes throughout the land with rivers running out,
And He threw in many fish, pickerel, bass and speckled trout,
And the fish are caught all summer, and through the winter's ice and snow
In the Haliburton Highlands, where the sugar maples grow.

He then threw in wild animals, deer, moose, bear and rats,
And then he added the tame old cow, horses, dogs and cats;
And then He made the porcupine, the wolf, the fox and lynx,
The otter, squirrel and beaver, then the all expensive mink.
And there are many other things that God on us bestows
In the Haliburton Highlands where the sugar maples grow.

The sweet friendly smiles of welcome all our visitors receive
Are like the sugar sap and syrup we harvest from our trees;
The finest folks in all the land live here among the hills,
They all come from hardy pioneer stock and always pay their bills.

So when you're out on holidays, the place for you to go
Is the Haliburton Highlands, where the sugar maples grow.

CHURCH NEWS

ST. PAUL'S CHURCH HOLDS CONFIRMATION BREAKFAST

Following the Confirmation Service conducted by the Rt. Rev. Donald Marsh, Bishop of the Arctic, on January 21, the confirmands received their first Holy Communion last Sunday morning at 8 a.m. together with their parents and friends.

After this truly solemn and emotional service they were able to relax and enjoy a breakfast in the Parish Hall, provided for them by the ladies of the Church. There were 27 at the meal, and the Rector was happy to welcome all the new communicants. Without the young people confirming their faith, and making it part of their lives, the Church could die for lack of fresh blood.

It was a wonderful thing to see all the young people there, and to know, as so many who work with youngsters know, that the word 'teen-ager' is a name to be proud of. There are so very many who never hit the headlines because they are good people, and therefore not newsworthy. The bad ones get the publicity.

GOODERHAM UNITED CHURCH CONGREGATIONAL MEETING

The Annual Congregational Business Meeting of the Gooderham United Church was held in the Church on Monday, January 22, 1968.

The Financial, Building, U.C.W., Session and Pastoral Reports were all read and approved.

Extensive renovations were carried out in the Church Building this year and a vote of gratitude is extended to everyone who contributed in any way, with labour, time or donations of money.

LINDSAY PRESBYTERIAL U.C.W. ANNUAL MEETING

The Fifth Annual Meeting of the Lindsay Presbyterial United Church Women was held at the Queen St. Church, Lindsay on January 24, 1968, with approximately 300 ladies in attendance.

Mrs. Edmund Ruth of Omemee, President of Lindsay Presbyterial U.C.W., presided at the morning and afternoon sessions. The Worship Service was led by Mrs. Stanley Murray of Woodville, who spoke on the theme, "What does the Lord require of thee?".

Mrs. Lloyd Found of Lindsay Queen St. Church cordially welcomed all present.

The President, Mrs. Ruth, in her remarks graciously thanked the members of the Executive who helped her so much during her term of office. She mentioned the possibility of chartering a bus so U.C.W. ladies could attend General Council in Kingston next September.

Reports were given by Miss Olive Geach, retiring Treasurer, and Miss Vena Neal, Chairman of Finance. Miss Neal stated that Lindsay Presbyterial, by self determination, has pledged an increase of $270.00 over 1967, thereby pledging a total of $21,576.00 for 1968.

The morning offering was received and dedicated by Cannington U.C.W., after which Mrs. A. E. Denure of Peterborough led in a Hymn Sing.

A very effective playette taken from the Bible Study Book, "Panorama of the Bible", was written and presented by the Cambray U.C.W.

Mrs. Ellis of Belleville, President of Bay of Quinte Conference U.C.W., brought greetings. The Annual Meeting of Conference U.C.W is to be held at Smiths Falls on March 4 and 5. The Conference School for United Church Women will be at Albert College from June 21 - 23.

Rev. W. J. Price, Minister of Lindsay Queen St. Church, extended a welcome to all and said Grace.

The afternoon session was opened by Mrs. Ruth, after which Mrs. E. Stone conducted a very fine Memorial Service.

Our guest speaker was Rev. Miss R. Catherine McKeen, and was introduced by Mrs. Ray Weldon of Lindsay. Miss McKeen is Editor of Children's and Youth's Missionary and Christian Education Materials.

Our speaker gave a very challenging address on the theme of the meeting, "Christian Women in To-day's Society". She said, We really must care and have a concern for other people, in our own country and all over the world." She listed many, many areas of concern and closed her remarks by saying, "We must express our faith by words as well as works and thereby proclaim the good news of the Love of God by the qaulity of our lives."

Mrs. Ken Coulter of Fenelon Falls rendered a beautiful solo.

The afternoon offering was dedicated by Mrs. Les Smith of Pinedale.

Miss F. Nancekievill, Supply and Welfare Secretary, gave an encouraging report of supplies and money sent to the Toronto Depot. Used nylons are once more in demand.

Mrs. E. Hargraves gave the Nominating Report, after which the 1968 Executive was installed by Rev. J. K. Braham, Chairman of Lindsay Presbytery.

Mrs. G. H. Palmer of Fenelon Falls, incoming President of the Lindsay Presbyterial U.C.W., expressed appreciation of the honour bestowed on her.

Rev. J. K. Braham pronounced the Benediction.

ST. STEPHEN'S CHURCH HOLD VESTRY MEETING

The Annual Vestry Meeting of St. Stephen's Church, Boskung was held at the home of Mr. and Mrs. Ben Harrison on January 25, with many members present.

Mr. Leonard Stinson agreed to continue as Rector's Warden, and Mr. Lloyd Johnson was elected as People's Warden.

The budget for 1968 was approved, and it was agreed that the Church would take steps to see if they could procure a new organ.

Afterwards everyone adjourned to the lovely big kitchen and sat around a table laden with good things Mrs. Harrison had prepared . . . home baked bread makes all the difference to sandwiches!

CARD PARTY HELD AT ST. PAUL'S CHURCH

On Friday, January 26 a Card Party was held in the Parish Hall of St. Paul's Anglican Church, Minlen. It was wonderful to see so many people having so much fun . . . (they were playing cribbage, euchre and bridge) . . . and at the same time giving all their attention to the various games.

There were twelve tables, but judging from the noise and laughter there could well have been twenty-four.

If anyone who reads the advance notices of card parties at St. Paul's and would like to come, but feel that they are not expert enough, please come and have fun with those who are in the same situation — the Rector's wife among them!

As usual at St. Paul's, the prizes were well worth winning, and the lucky ones were: Mrs. Audrey Pipher and Mr. Pat Clarke for euchre, the lone hand winner at euchre was Mrs. Thurston, the bridge prize was taken by Mrs. Hilda McCarey, and Mr. 'Mac' McCarey won the men's cribbage title with Mrs. Lillian Cooke winning for the ladies.

Everyone then enjoyed the refreshments for which the ladies of St. Paul's are gaining a local reputation, and many people, as they left, asked that the card parties could happen more often.

As the editorial in last week's Minden Progress pointed out, the Rev. K. A. Thatcher feels that the Church premises should be used every night of the week, so maybe this could become a regular event.

ST. JOHN'S CHURCH HOLD VESTRY MEETING

At a Vestry Meeting of the congregation of St. John's Church Gelert held on January 27 it was decided that, in view of the small attendances at church services recently, there would be no regular services held this year.

All those who attended St. John's are invited to attend St. Paul's Church, Minden, and it was agreed that the Church of St. John would be available at any time for special services such as Baptisms, Marriages and Burials. The Suffragan Bishop of Toronto, who is Chairman of the Mission Board, has agreed to this arrangement, and hopes that it may be possible ot conduct regular services at St. John's in the future.

JEHOVAH'S WITNESSES TO BEGIN CAMPAIGN

The Haliburton Congregations of Jehovah's Witnesses begin this week a door-to-door campaign to make the public aware of the shocking atrocities committed against members by sadistic mobs in Malawi, Central Africa.

Calling the acts a shame to Africa, Wm. Borden, spokesman for the two congregations of Jehovah's Witnesses in Haliburton, said eyewitnesses' reports showed many have been beaten, robbed, some killed and their homes burned. More than a thousand women Witnesses have been raped, often before their husbands and children who were forced to watch. In the Mlanje area of the country forty women who were thus abused were pregnant. Each one suffered a miscarriage.

"The atrocities have been committed by persons inflamed by the spirit of nationalism", Mr. Borden explained, "mostly by mobs made up of members of the Youth League of President H. Kamuzu Banda's Malawi Congress Party." He claimed the Youth League resembled China's Red Guard who have terrorized so many there. "The only 'crime' of Jehovah's Witnesses in Malawi has been their refusal to join Banda's political party, buy a membership card and wear Banda's picture on a badge", he said.

The Malawi News of November 24, 1967 quoted President Banda as saying: "If anyone of these people are in trouble they should not go to the police but should go to church and pray." Hence there has been little or no action on the part of the police to stem the tide of vicious persecution, Mr. Borden added. "It is hoped that people who love justice and freedom will write to the government of Malawi to protest this cruel treatment of harmless Christians."

NOTICE

At the Annual Vestry Meeting of **St. John's Anglican Church, Gelert,** it was voted to close down the Church temporarily until January of 1969.

Dated this 30th day of January, 1968.

Highland Weavers Guild Meeting

The members of the Highland Weavers Guild held a business meeting at the Minden Council Chambers last Thursday evening.

New officers elected were Mrs. Alice Dugan as President, and Mrs. Marjorie Irwin as Secretary-Treasurer.

After some discussion it was decided to have evening work meetings at the Council Chambers on Friday evenings beginning February 9, and the business meeting will be on the second Thursday evening of every month with the exception of February. Work meetings for the Haliburton group are on Wednesday afternoons. Films will be procured and shown at the two villages as soon as possible.

The meeting adjourned until March 14.

Increase For Postal Stationery

...n increase in the price of stamped stationery, reflecting growing development manufacturing and administrative costs, was announced today by the Canada Post Office. Concurrently, a new type of stamped mailing envelope is being made available to the public for the first time.

New envelopes of 4c and 5c denomination have been enhanced by the inside addition of a printed design in grey. The new interior increases the opacity of the envelope and, thus, assists in the concealment of contents. The design consists of the repeated wording "Postes Canada Post".

The price of 4c and 5c stamped envelopes goes up by 40c and 44c per hundred, not including postage, in the No. 8 (domestic) and No. 10 (business) sizes, respectively.

Dollars And Sense

Anyone who wants to stimulate a lagging conversation could do a lot worse than to introduce the subject of health insurance. It will almost certainly rouse those present to say what they think of the rising cost of health services.

There is likely to be agreement that really, the costs are terrible and something should be done about it. At this point anyone wanting even more animated discussion can probably get all the vim and vigour they like by saying, "Well, what are you doing about it? What is each of us here doing to lower the demands for doctors and hospital services, which, after all, are the chief item in the costs which determine health insurance premiums?"

Provided one does not mind instant unpopularity one could through by suggesting that those present who are smoking cigarettes stop — not for the moment but forever. Studies on emphysema, bronchitis, lung cancer and asthma always come up with the same answer — these diseases (and they take a lot of doctors' time and a lot of hospital days) are far more frequent among smokers than among non-smokers.

Then there is flu. How many of those bemoaning the cost of illness have taken the trouble to be vaccinated against 'flu? Yet the evidence is that it reduces the risk of this disease by about 60 per cent. And the person who hasn't 'flu does not pass it on to someone else. Here's a way we could take a hand personally in cutting down on doctors' bills and hospital days — but how many are doing it?

The unwelcome job of pointing out to us what we are doing to contribute to respiratory illness, and consequently to medical and hospital bills, has been shouldered by the Tuberculosis Associations of this country.

Tuberculosis being an extremely serious and important respiratory disease, it was natural that those dealing with it were among the first to realize that as the need for hospitalization of TB decreased and amount of other respiratory disease was rising alarmingly. Emphysema, to take one example, now causes ten times as many deaths in Canada as it did ten years ago.

In addition to maintaining efforts to wipe out TB, the Tuberculosis Associations are therefore mounting a respiratory disease programme. It is for the combined effort that they appeal for our help in the Christmas Seal Campaign.

$435,000 Loan To Huntsville Resort

TORONTO — The Ontario Development Corporation will grant a $435,000 loan to Hidden Valley Inn Limited at Huntsville towards the estimated $775,000 cost of a 52-unit motor hotel and attendant facilities.

A joint announcement recently by James Auld, Minister of Tourism and Information, and Stanley J. Randall, Minister of Economics and Development, said the loan, payable over 15 years, will assist in making Hidden Valley one of the most modern year-round resorts in Ontario.

Located five miles outside of Huntsville, this all-season tourist complex was started in 1961 when the first ski facilities were installed. Since that time they have been expanded to include seven open slopes and two downhill trails. Six additional slopes are being opened for the 1968 season. Other facilities include two double chair lifts, one high capacity T-Bar, and a novice rope tow. The total uphill capacity is 4,000 skiers per hour. Snowmaking equipment services more than 50 acres of the ski area.

A modern chalet building on three levels provides 15,000 square feet of floor space which is used for dances and other social activities. There are 450 feet of good sand beach and other amenities which make it an attractive summer resort.

Present plans call for the new facility to be operated under a Holiday Inns of Ontario franchise.

"This latest loan is another example of our desire to assist the tourist industry," said Mr. Randall.

Since the Ontario Development Corporation was established in June, 1966, it has made 17 loans to assist secondary manufacturing to establish in slow growth areas and to assist the tourist industry. Support for the loan came from the Muskoka Tourist Association in a recent presentation to Mr. Auld and Mr. Randall.

Minden W.I. Hold January Meeting

The Minden Women's Institute met at the home of Edith Welch for their January 17th meeting, with Mrs. Clarke presiding. Seventeen members and one visitor attended.

The Roll Call "Cookies and Receipts" was responded to, and the sale brought $2.65. Opening exercises of "O Canada" and the Ode were conducted.

We were glad to welcome back Mrs. Annie Cox after her severe illness in a Toronto hospital.

Mrs. Lyman Cox donated a lovely Pillow Slip set, and the raffle gave our kitty $2.25 with Mrs. Maud Coulter being the winner.

A report was very ably given of the District Directors Meeting held in Fenelon Falls, by Edith Welch, and our District President Mrs. Sears gave a report of her visits.

Notes of thanks were read from Mrs. Francis and others. Flowers were donated to a sick member, Mrs. Holly Stevens.

Mrs. Fairfield read a timely poem, "Canadians Like You".

Mrs. B. J. Walker gave a splendid paper on "Current Events in Minden, 1967".

A committee was appointed to arrange for the "Valentine Tea" and visit to our Senior Citizens' Home. Arrangements were also made for a Card Party to be held in the Parish Hall on February 16.

Our collection was taken for the Visiting Committee and Pennies For Friendship.

On Tuesday afternoon the Executive met at the home of Mrs. Welch to attend to various business commitments.

After the singing of The Queen and the Institute Grace a delicious lunch was enjoyed.

O.P.P. Report

There are still a few motorists that don't understand the change made regarding stopping for school buses. It is very simple, if the red lights are flashing you must stop when meeting the bus and you must stop behind when overtaking the bus. Under no circumstances are you to pass a school bus when it is stopped and the lights are flashing.

The Driver Education Course began on Monday, January 29 at Lakeview School in Haliburton and on Tuesday, January 30 at the Minden Public School. If you are interested in attending just be at the school of your choice for the coming courses: Monday, February 5 and 12 at Lakeview Public School, Haliburton, 7:30 p.m., or Tuesday, February 6 and 13 at the Minden Public School, 7:30 p.m. There is no registration or registration fee. This course will improve your driving whether you consider yourself a good or bad driver. See you Monday or Tuesday evenings.

A proven location, owner selling for health reasons. New building, suitable for restaurant, coin wash, variety store. Owners apartment saves you money, overlooking beautiful Pine Lake, West Guilford village. Asking $5,000.00 down.

Two new Home Sites in town of Haliburton, plenty of evergreen trees, view. You will love the location and price.

Card of Thanks

I would like to take this opportunity in thanking all the many friends and relatives for their many cards and letters while I was a patient in the Ross Memorial Hospital, and many thanks to the Nurses and Staff, and a special thanks to Dr. Service and Dr. Watson for being so kind. Thanking you all so kindly.
Mary McKelvey.

I wish to convey my sincere thanks to my friends for flowers, cards, calls and enquiries while I was in the Red Cross Hospital at Haliburton, also to the Nurses, Staff and Doctors for their kindness and care, and to Rev. McCaw for calling to see me there. A sincere thank you to all.
Mrs. G. H. Windsor.

IN MEMORIAM

McKINTOSH — In loving memory of a dear friend, Maureen, who passed away January 23, 1966.
Beautiful memories are wonderful things,
They last till the longest day;
They never wear out, they never get lost,
And can never be taken away.
To some you may be forgotten,
To others a part of the past;
But to us who loved and lost you
Your memory will always last.
—Always remembered by Jean Stamp and Family.

ROBERTSON — In loving memory of our dear father, Rev. W. J. Robertson, who passed away January 29, 1957.
Life moves on and years pass by
But treasured memories never die,
Dear are the memories silently kept
Of the one we loved and will never forget.
—Mary, Douglas, Murray, Evelyn and Families.

EMO Co-ordinator Says County Plan Completed

Victoria County Council, meeting in standing committee on finance and assessment, last Wednesday received the reports of the Emergency Measures Organization and the County Library report, and ordered the reports to be printed in the minutes.

Emergency Measures Co-ordinator James Hall stated in his report that the County general plan had been completed. He also pointed out a recent survey of emergency shelter facilities in the County was carried out at no cost to the County.

The report stated the County communication system was proceeding favourably, and the erection of a radio facilities cabin in Haliburton was noted. The report also stated in Victoria - Haliburton County, the Emergency Measures area, 38,000 people were covered by the procedures already set up.

lic School, were guests at the Fur Sale of the Haliburton Trappers' Association held in the Orange Hall. Mr. Winter and Mr. Roberton accompanied Mrs. Roberton and her class and assisted in making the scholars acquainted with the different pelts, and also explaining the procedure of a Fur Sale. One of the highlights of the occasion occurred when two young boys decided that since they were at a Fur Sale they should make a purchase, one buying a weasel pelt and the other a muskrat pelt for which they paid .75c and $1.00 respectively. Fur buyers were present from Parry Sound, Roblin, Napanee, Sutton and North Bay and they got quite a kick out of these young fur buyers. Angela Bishop very capably thanked the Secretary of the Trappers' Association, Mr. Stan Cooper, who was in charge of the sale.
